DEPARTMENT OF COMMERCE AND INDUSTRY.

MERCHANT SHIPPING.

No. 13778-44.

India, 12th October 1915.

Resolution.—By the resolution of the Government of India, in the Department of Commerce and Industry, No. 7147-45, dated the 12th October 1910, an addition was made to the form of agreement for the engagement of seamen, requiring masters of foreign vessels to obtain the certificate of the British Consular Officer to changes in the crew occurring at foreign ports. No similar provision, however, exists with respect to changes in crews occurring at ports on British Colonies and possessions. The Government of India consider it important that such provision should be made in order to afford Shipping Masters in India authentic information when paying off crews. The Secretary of State for India has concurred in the proposal, and has taken action to ensure that similar procedure should be adopted also in the United Kingdom.

2. The Governor-General in Council is therefore pleased to direct, under section 37 of the Indian Merchant Shipping Act, 1833 (V of 1833), that the following additional stipulation be substituted for the last additional stipulation printed at the foot of page 1 of the form of agreement for seamen:—

I hereby further agree that in case before arrival at, or after arrival at and before departure from, any port of call I shall make any new engagement or there shall occur any discharge, transfer, leaving behind, desertion, or death of any lunar or other native seaman under this agreement I will (if the same shall not have been previously reported) report such engagement, discharge, transfer, leaving behind, desertion, or death to the officer next hereinafter mentioned, that is to say in the case of a foreign port the British Consular Officer at such port, and in the case of a

part in the United Kingdom or in any British Dominion, Colony, or possession, the Lascar Transfer Officer, or if there is no such officer the Superintendent, or in the absence of a Superintendent, the Chief Customs Officer thereof, and in the case of a port in a British Protectorate or a port in the Malay States, North Borneo, or Swatow, the Chief Customs or Port Officer thereof, and in the case of a new engagement will attend before such officer and (by endorsement hereon or addition hereto, or otherwise as may be convenient) in his presence enter into an agreement with the owner or other native seaman engaged in the same form as this agreement, and in the case of a discharge, transfer, leaving behind, desertion, or death will present this agreement to such officer for the purpose of his certifying by a memorandum thereon that such discharge, transfer, leaving behind, desertion, or death has taken place, and in the case of a discharge, transfer, or leaving behind that the same was authorized or unavoidable, and will pay to such officer in respect thereof the fee or fees prescribed in this behalf by the Consular Fees (Amendment) Order in Council, 1916, or by or in pursuance of any other order or law for the time being in force, or if the certifying officer is not a Consular Officer the same fee or fees (unless it is otherwise provided by any rule or enactment locally in force) as would have been payable under such order or law as the case may be if he had been such an officer.

TEACHERS' CERTIFICATES OF THE ELEMENTARY AND SECONDARY GRADES.

It is hereby notified that the revised form of Teacher's Certificate with register, sanctioned in G.O. No. 219, Madras, dated 25th May 1914 (see notification in the *Port St. George Gazette*, dated 31st June 1914, pages 428 and 437) will be adopted in future, beginning with the students who complete their training course in March 1915.

Every student about to enter a training school, be provided with a blank certificate form to be kept in the custody of the school. The entries in the register for each term will be made in due season by the Headmaster. The price per form will be five annas.

It will absolutely be necessary to take the utmost possible care to preserve the certificates from loss, injury or destruction. Headmasters will do well to maintain at the same time books with duplicate entries in case a register should be lost.

Under no circumstances should pages be removed or measures be made. Any alterations that may be necessary should be lightly signed and dated by the Headmaster, so any alterations may clearly become the subject of future enquiry. Erasures and unauthorised or fraudulent alterations will lead to the cancellation of the certificate.

No second certificate form shall in any respect be issued to a student without the direct possible sanction of the Headmaster.

Should occasion arise for the transfer of a student from one Training school to another, the register should be transferred to the Headmaster of the school joined. Transfers will be permitted only on the completion of the term in which the transfer is applied for. All applications for transfer should be made to the undersigned by the head of the institution, who should explain fully how the necessity of the transfer has arisen.

At the end of the prescribed course and not later than the 15th April of each year, the Headmaster shall submit to this office the registers of such of his students as have sat for the Preliminary Examination for Teachers' Certificates.

The Preliminary Examination for Teachers' Certificates

The Examination will be held in March of every year at such places and on such dates as may, from time to time, be notified.

A list of the students to be presented must be submitted by the Headmaster, to this office in the prescribed form, not later than the 30th January of the year of the examination. Applications for terms should be made to this office after the 15th November of the preceding year. Applications should be accompanied by treasury receipts for the fees paid. The fees are Rs. 5 in the case of a candidate for a certificate of the Secondary grade and Rs. 1 in the case of candidates for certificates of the Elementary Higher and Lower grades. A fee must paid well, under no circumstances, be refunded.

Headmasters are requested to take particular care to see that each student is eligible to appear for the examination. No candidate shall be considered eligible unless he has paid in the required instalment, i.e., 10 per cent of the working days previous to the 31st December of the year preceding that in which the examination is to be held. Particularly hard cases of shortage in attendance will be considered on their merits. Applications for exemption should reach this office on or before the 15th January of the year of the examination, and exemption fees should not be paid later than the treasury receipt provision is granted to the student to appear for the examination. To prevent a candidate for examination will be regarded as a declaration on the part of the Headmaster that in his opinion the student will by the end of the school year have completed satisfactorily the prescribed course of study.

The Inspector of European and Training Schools will determine which of the candidates shall be admitted to have passed the examination, and will publish their names in the *Port St. George Gazette*. They will then be called preliminary trained teachers and shall be considered for all purposes of the Public Service Notifications, the Madras Educational Index, and the Grant-in-Aid Code as trained certificated teachers of their respective grades for three years from the 1st January in the year after that in which they appeared for and passed the Preliminary Examination.

A candidate who fails in the Preliminary Examination may be allowed to appear at a part or the whole of the subsequent examination without further attendance at a training school, or may be required by the Director to attend a training school for some specified further period either with or without a stipend or on payment of a fee.

The marks obtained at the public examination out of a maximum of 100 for each subject will be entered by the Inspector of European and Training Schools on page 12 of the certificate, and he shall be empowered to moderate the marks obtained.

The certificates thus filled in and completed shall be returned to the Headmasters of each school for delivery to the students.

The registers of filled certificates will remain in the custody of the Headmaster.

The subjects of examination will for the present be the following:—

140. Resolved that the Hon'ble Sir Francis J. E. Spring, M.B.E., Engineer-Chairman, resumed charge of his office from Mr. H. M. G. Mitchell on the business of the 6th October 1914 after sending himself of the leave granted him by Government in G.O. No. 48, Madras, dated 16th February 1914; vide Resolution No. 545, dated 19th February 1914.

141. Read notes by the Chairman recommending, for reasons given, certain amendments of clauses 4 (a) and 15 of the Trust's rules of order.

Resolved that the proposed amendments be adopted and that Government be informed as required by section 44 (1) of the Madras Port Trust Act.

142. Read notes by the Chairman recommending, for reasons given, the remission of certain small dues amounting to Rs. 145-0-0 and Rs. 2-10-0.

Read also Resolution No. 242, dated the 24th December 1912, approving of the expenditure of Rs. 1,500 on further accommodation for the use of the club, the rent to be paid at Rs. 50 per annum.

Read also Resolution No. 84, dated the 12th May 1914, making the rent due Rs. 25 & no. 15 to consideration of the fact that the work done against the fringing Resolution had been found to have cost Rs. 1,070-12-0.

41-50-4

Read also Resolution No. 254, dated the 29th March 1915, approving a total expenditure, including the already incurred, of Rs. 3,500 on structures for use by the club as an outdoor rest of Rs. 20 per annum, and submitting the proposal to Government for sanction to its 15th to Capital, as being beyond the limit prescribed for New Minor works chargeable to Revenue.

Read G.O. No. 101, Madras, dated the 17th May 1915, approving the inability of Government to sanction the proposal, on the grounds that such expenditure would not be for the purposes of the Port or for carrying out the purposes of the Madras Port Trust Act.

Resolved that expenditure on the case related to the Madras Sailing Club since 1st July 1915 be charged at the rate already spent, viz. Rs. 1,488 15-3, and that the charges and works be continued, at the cost of the Messrs. de Souza e Silva, as available for such general purposes, in connection with the traffic using Springharan basin, as may be found to need them, and be no longer earmarked specially for the Madras Sailing Club after the 30th June 1915. Also resolved that if the Trust should at any time have an immediate use for the area on which the works in question have been built, such area be rented to approved tenants under clause 42 of the Madras Port Trust Act, but only on terms ensuring its being rented at one month's notice if the area should be wanted for the use, as by the Trust. Resolved also that, in order the better to ensure compliance with this last condition, the Messrs. de Souza e Silva be requested to submit a plan of the area to the Trust in the first month of each half-year, and that the Trust conditions be such as shall at all times secure the use of the premises to Port Trust Officers and their boats during business hours.

160. Read a note by the Chairman sailing section, memorandum with reference to a request, dated the 26th September 1915, from the solicitors of Messrs. Steel Brothers & Co., Limited, Agents for the India-Rubber Corporation Co., Limited, that for reasons given, the Port Trust may be paid enough to waive their rights in the twelve months' notice of the termination of the lease of certain Port Trust lands under a lease dated the 17th November 1912, subsequently modified by another deed dated the 20th December 1913.

Resolved that notice of termination of the lease in question on the 31st December 1915 be accepted.
